How we work

Our Charity was established nearly 200 years ago to help those who have worked in the silversmiths' and goldsmiths' industry, together with their widows and widowers who have fallen on hard times.

Our grantees are helped in a small way on a regular basis. The Trustees also give consideration to reasonable requests for "one off" payments. We might help with a piece of equipment to help mobility, or contribute to the cost of a vital household repair; a broken boiler, a central heating problem or help to install a stair lift.

We are appealing to all sectors of our trade to help those who are facing real hardship.

We are asking you to give generously. You can make a one-off donation through our website: www.tsjc.org.uk or an annual donation

If you would prefer to send the information by post please fill in the form on the opposite page.
